THE BIG FAT YEAR END KISS OFF COMEDY SHOW XXI

For the TWENTY FIRST consecutive year, Will Durst and his merry band of pranksters are proud to take their end-of-the-year comedy extravaganza to the Bay Area's far-flung nooks and crannies bringing their hilarious New Year's celebration to the people.

Starting the day after Christmas all the way through New Year's Day, the troupe promises to lampoon, satirize, mock, scoff, scorn, taunt, tease, rib, ridicule, josh, jibe and kid the personalities and events of the past year and do it all with a modicum of taste.

The Big Fat Year End Kiss Off Comedy Show features a riotous collection of skits, sketches, songs and stand-up, all uproariously focused on the year of our Lord 2013. Some calendars are less conducive as subjects of humourousity, but what with the government shutdown, NSA run amuck, 2 popes and a website in the process of eating a Presidency, this year has been especially fecund. Lush like a tropical rain forest.

Continuing a holiday tradition as hallowed as the coal in Ted Cruz's stocking and as welcome as an air freshener in the Bohemian Club's outhouse following Chili Night, The Big Fat Year End Kiss Off Comedy Show consists of 6 comics, 7 cities, 8 shows and 2,347 laughs.
